1. In response to the referenced requirement a search was made on photography obtained since [] of an area in Romania bounded by the geographic coordinates 44-20-30N to 44-27-00N and 028-34-00E to 028-44-00E. The purpose of the search was to confirm or deny the presence in that area of a suspected live AAA firing range and also to identify any associated electronic equipment.

2. The search revealed no specific AAA firing range and no electronic equipment in the designated rectangular-shaped area.

25X1
25X1

3. Approximately one-tenth of the search area had been covered by [] photography, and the entire area had been covered by [] photography. The small scale of the [] photography normally precludes identification of electronic equipment such as that for which the search was conducted.
